The Russian reply to Secretary Hay's circular note to the powers of October 23 last, inviting them in the name of the President to reasseable in conference at The Hague "to complete pain remedy. HAMLINS the postponed work of the first conferwas delivered verbally to Secretary Hay yesterday by Count Cassini, the Russian ambassador. The Ambassador was requested by his government to say that Russia heartily accepted in principle the invitation to a second conference at The Hague and gladly associated herself with the American government in its effort to complete the mission of the first great assembly con-vened under the leadership of the Russian Emperor. The Ambassador was further requested to say that while the Russian government very sincerely cherished these views, it did not consider the moment opportune for the con vening of such a conference, and it, therefore, must withhold its formal ac-ceptance of the invitation until the war in the far East was at an end.

> Preparing for Anticipated Strike. In view of the fact that a general strike will be inaugurated in Buenos Ayres yesterday President Quincina had long conferences with the Ministers of the Interior, War and Marine and the Chief of Police, for the purpose of adopt ing measures for the suppression of pos-sible disturbances. An official statement was given out last night that the police are fully prepared to prevent any interruption of necessary public service and to protect purveyors of foodstuffs and those who are willing to work. The government also has announced that it is in possession of sufficient power to meet any emergency. Cavalry has been taken to the capital to aid in the preservation of public order and prevent inter-ference with the railway or street car services, should it be necessary. A state of stege has not been declared, owing to the fact that so far no serious breach of the peace has occurred. The general strike movement has been planned to continue only two days, but present signs indicate its possible extension. There is complete tranquility in the city and full confidence in the government.

Kodol Dyspepsia Cure was recommended and I used a few bottles of it and it is the only thing that has relieved me, Would not be without it. Have doctored with local physicians and also at Chicago, and even went to Norway with hopes of getting some relief, but Kodol Dyspepsia Cure is the only remeiy that has done me any good, and I heartily recommend it Every person suffering with Indigestion or Dyspepia should use it."
